

The Chelsea Children's Cooperative Preschool is pleased to offer partial tuition scholarships to families who need them. Scholarships are open both to newly applying families and to existing members, and can be applied for at any time during the year. The intent of the scholarship is to enable attendance for those who would like to enroll their child but are financially unable to do so and also to help retain students already enrolled in the program whose family financial circumstances have changed and assistance is needed. In order to help as many families as possible, only partial tuition scholarships will be granted.

Funding for the scholarship program is provided by a generous grant from the Chelsea Education Foundation and an annual silent auction.

The application will be reviewed and awarded by a Committee made up of the President, the Treasurer, Assistant Treasurer, and the Membership Chair. The process is confidential and no other board members, staff, or preschool families will be made aware of the scholarship. Completed applications should be returned to the Membership Chair. Please complete your application in full, and submit the following items with your application:

\_\_\_ The two most recent pay stubs for **all** employed family members

\_\_\_ Any additional non-wage income such as child support, etc.

\_\_\_ Extraordinary monthly expenses such as therapies, monthly medical care, additional tuitions and/or tutoring, etc.

The Scholarship Committee may also recommend other sources of assistance (such as Faith In Action) and assist the family in pursuing those opportunities.

As with all our members, the Co-op Preschool expects a significant level of commitment through attendance, committee or board participation, participation in fundraisers, and the generous donation of time and skills. *The Co-op Preschool reserves the right to withdraw scholarship funds at any time if this essential component of Co-op membership is in question.*

Every Co-op member is a vital and precious part of our family, so please do not hesitate to apply for a scholarship if the need is there.

Cooperatively,  
The Executive Board of Chelsea Children's Co-op Preschool
